REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Applicant has disclosed an unobvious improvement to the conventional tobacco leaf curing process, said improvement being treating the tobacco leaves with an alkaline curing-accelerating agent/aqueous bicarbonate salt solution during the curing process.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. FORMAL drawings are required in this application because the only drawings of record are the INFORMAL drawing submitted on November 17th, 2000, and the claims are now in condition for Allowance. Applicant is advised to employ the services of a competent patent draftsman. The FORMAL drawings are required in reply to the Office action to avoid abandonment of the application. The requirement for corrected drawings will not be held in abeyance.
